

Div. 1 Radder SCR-27D  
Arthur L. Veeninger

LIST OF PUBLICATIONS BY HAROLD A. ZAHL

1. "Changes in Frequency Due to Shielding," RADIO NEWS, 638, 1927.
2. "The Effects of Shielding," RADIO NEWS, 52, 1927.
3. "A Study in Radio Frequency Amplification," RADIO NEWS, 786, 1928.
4. "Reflection of Atoms from Crystals" (A. Ellett and H. Olson, co-authors)  
PHYSICAL REVIEW, pp 493-501, Vol 34, No. 3, Aug 1,  
1929.
5. "Repeated Reflection of Atoms from Crystals," (A. Ellett co-author)  
PHYSICAL REVIEW, 33, 635(a), 1929.
6. "Reflection of Atoms from Crystals," (A. Ellett, co-author),  
PHYSICAL REVIEW, 33 124(a), 1929.
7. "Reflection of Cadmium and Zinc Atoms from Sodium Chloride  
Crystals" PHYSICAL REVIEW, 36, 893, 1930.
8. "Reflection of Zinc Atoms from NaCl Crystals," PHYSICAL REVIEW  
35 293(a), 1930.
9. "Evidence of Energy Exchanges Accompanying Scattering of Atoms by  
Crystals," (A. Ellet, Co-author) PHYSICAL REVIEW,  
37, 1705(a), 1931.
10. "The Romance of Physics," (A popular book on Physics),  
UNIVERSITY OF WICHITA PRESS, 1931.
11. "Reflection of Mercury from Alkali Halide Crystals," (A. Ellett,  
co-author) PHYSICAL REVIEW, 38, 977, 1931.
12. "Luminous Discharge Between Lecher Wires in a Partially Evacuated  
Tube," (W. D. Hershberger and M. J. E. Golay co-authors)  
PHYSICS 4, 291, 1933.
13. "A Vacuum-Contained Push-Pull Triode Transmitter," (J. E. Gorham  
and G. F. Rouse co-authors) PROCEEDINGS OF THE  
IRE, Vol. 33 (1945), paper presented at Winter IRE  
Technical Meeting.

14. "A Vacuum-Contained Push-Pull Triode Transmitter," (J. E. Gorham and G. F. Rouse co-authors) PROCEEDINGS OF THE IRE, Vol 34 (1946).
15. "Radar on 50 Centimeters," (J. W. Marchetti, co-author) ELECTRONICS (Jan 1946) Cont'd in Feb. issue).
16. "Signal Corps and Operations Crossroads," (G. K. Green and W. L. Martin, co-authors). SIGNAL, Vol.1, No. 1, Sep-Oct 1946.
17. "Pneumatic Heat Detector," (M.J. E. Golay co-author) REVIEW OF SCIENTIFIC INSTRUMENTS, Vol 17, No. 11, pp 511-515 Nov 1946.
18. "Radar Observations of the Giacobinid Meteors," (J. W. Steward, M. Ference, J.J. Slattery co-authors.) Paper presented before American Astronomical Society, Boston, Mass, Dec 1946.
19. "Radar Observations on the Draconoids," (J. W. Steward, M. Ference, J. J. Slattery co-authors) SKY AND TELESCOPE, March 1947.
20. "Electron Tubes," (J. A. Gorham, co-author), COAST ARTILLERY JOURNAL -June 1947.
21. "From an Early Radar Diary," COAST ARTILLERY JOURNAL, pp 8-15 April - May 1948.
22. "Pneumatic Heat Detector," (M.J. Golay, co-author) TELE-TECH, May 1948.
23. "Signal Corps Research Program," SIGNAL, pp 31-35, July 1948.
24. "Government in Research" Broadcast on Science Forum Program, Station WGY, Schenectady, New York, 29 Sep 1948 (published in WGY Science Forum Proceedings).
25. "What SCEL is Doing," FM-TV, pp 13-22, Feb 1949.
26. "Signal Corps Research and Its Relationship to Educational Institutions." JOURNAL OF ENGINEERING EDUCATION, Vol. 40, No. 5. Jan 1950. Paper presented before American Society for Engineering Education Annual Meeting, Troy, New York, 20 June 1949.

27. "Signal Corps Research Program, "Training Manual for Publication" by the Extension Department, The Signal School, Ft Monmouth, N.J. (prepared August 1949)
28. "Signal Corps Research and its Relationship to Educational Institutions," SIGNAL, pp 19-22, 52 (Jul-Aug 1950)
29. "Defense Department Plans for Basic Research in the National Emergency -Army," (Navy and Air Force portions authored by E. R. Plore and J. W. Marchetti) ELECTRONICS (Aug 1951)
30. "Physics in the Signal Corps," PHYSICS TODAY, Vol 5, No. 2, pp 16-19 (Feb 52)
31. "Toward Lighter Signal Equipment," ARMY INFORMATION DIGEST (Jun 1953)
32. "New Signal Corps Laboratory," (co-author F. B. Moses), Physics Today, Vol. 7, No. 4, pp 12-14 (Apr 54)
33. "The Pen of Management," ARMED FORCES MANAGEMENT, pp 44 (Jun 56)
34. "Exploratory Research," by Harold A. Zahl and E. M. Reilly-PHYSICS TODAY, Vol II, No. 8 pp 20-22, Aug 58
35. "Mathematics and the Investigation of Reality," Harold A. Zahl and Mr. Joseph Weinstein, presented to Association of Mathematics Teachers of New Jersey at Newark State College, Union, NJ May 1959
36. "Energy in Space: Pounds vs Power," H. A. Zahl, H.K. Ziegler and A. F. Daniel (Chemical & Engineering News) Vol 37, pp 96-99, 133, May 1959
37. "Development of Radar Set SCR-270", A. L. Vieweger and A. S. White (prepared through courtesy of H. A. Zahl, Director of Research, USASRDL, Oct 1959, in U. S. Air Force Publication.
38. "From An Early Sputnik Diary" by Harold A. Zahl, Special edition of IRE Transactions on Military Electronics - 1960 (U. S. Army Space Issue of IRE Transactions on Military Electronics)

39. "Power Sources for Satellites and Space Vehicles" by Harold A. Zahl, Hans K. Ziegler, SOLAR ENERGY, Vol IV, No 1, Jan 1960
40. "Power Sources for Satellites and Space Vehicles," by Harold A. Zahl and Hans K. Ziegler, presented at Rocket and Satellite Symposium by Dr. H.K. Ziegler at Moscow, Russia, Jul 30-Aug 1958, Annals of the IGY, Vol XI, 1960
41. "One Hundred Years of Research," by Harold A. Zahl, presented at 4th Annual Joint Military-Industrial Electronic Test Equipment Symposium, conducted by Armour Research Foundation of Illinois Institute of Technology; at The Museum of Sciences and Industry, Chicago, Ill., 15 Sep 1960, and published in the Signal Corps Centennial Issue of IRE Transactions of the Professional Group on Military Electronics, Vol. MIL-4, Oct 1960
42. "Looking Backward Toward Tomorrow," by Harold A. Zahl, presented at the East Coast Conference on Aeronautical and Navigational Electronics, Baltimore, Md., by Dr. Zahl on 25 Oct 1960, published in the SPEAKER, Dec 1960, official publication of the Baltimore Section, IRE and re-published in Transactions of PGANE, IRE, Mar 1961
43. "Signal Corps Centennial" by Harold A. Zahl, published in PHYSICS TODAY, Nov 1960
44. "One Century of Research," by Harold A. Zahl, prepared for use of the Commanding Officer, USASRDL, and published in Fort Monmouth publication, December 1960
45. "Power Sources for Satellites and Space Vehicles" by Dr. Harold A. Zahl and Dr. H.K. Ziegler, published in Vol XII, Part II, 1961 Annals of the IGY
46. "A Century of Signal Research Comes to its Close in 1961," by the Director of Research (Dr. H.A. Zahl) published in TEC-TAC, 10 Feb 1961, No. 95
47. "Great Names in the Signal Corps (Major General Joseph O. Mauborgne, USA Ret) by Director of Research, USASRDL-Dr. Harold A. Zahl -published in TEC-TAC, No. 96, 23 Jun 61

48. "Opportunities for Scientists in Federal Government", by Harold A. Zahl, presented at Annual Conference of New Jersey College Federal Agency Council, 25 Apr 1961, Gibbs Hall, Ft Monmouth, N.J., published in The Civil Service Reporter, Sep 1961, Vol XVII, also published in Army R&D Newsmagazine, Vol 2, No. 9, Sep 1961, pp 19-22, and in The IRE Student Quarterly, Dec 1961, Vol 8, No. 2, pp 36-40.
49. "Fifty Years of Teaching Machines," by Harold A. Zahl, at invitation of editorial committee of IRE, published in 50th Anniversary Issue of the Proceedings of the IRE, (1912-1962), Vol 50, May 1962.
50. "Will Your Future be the Echo of Our Past?" by Harold A. Zahl, presented at Junior Science Symposium, University of Wisconsin, 1 Nov 62, and published in University of Wisconsin Journal.
51. "Looking Backward Toward the Future," by Dr. Harold A. Zahl, and presented to Student body and Faculty of Monmouth College, West Long Branch, N.J. 20 Mar 1963 and published in college newspaper.
52. "Abacus, Babbage and Computers," guest editorial by Harold A. Zahl published in MIL-E-GRAM, Jan 1964.
53. "Keynote Address - -presented at Junior Science Symposium, Fort Monmouth, N.J. - Monmouth College, West Long Branch, N.J. 20-minute talk by Harold A. Zahl, 20 Mar 1964, to be published in Symposium Proceedings.
54. "Closing Address"-to be presented at Second Annual Maryland Junior Science and Humanities Symposium, Baltimore, Md. 1-hour lecture by Harold A. Zahl, 7 May 1964, to be published in Symposium Proceedings.
55. "Looking Ahead in Science and Technology," by Harold A. Zahl, published in IEEE Student Journal, November 1964 Issue, page 17.
56. "Keynote Address"- presented at 1965 Junior Science Symposium, Fort Monmouth, N.J. - Monmouth College, West Long Branch, N.J. - 15-minute talk by Harold A. Zahl, 19 March 1965, to be published in Symposium Proceedings.

57. "Introductory Remarks"- presented at High Power Microwave Tubes Symposium, held at the U. S. Army Electronics Laboratories, Fort Monmouth, N.J., 19 May 1965, to be published in Symposium Proceedings.

58. "The R&D Tree" by Harold A. Zahl, published in the Army Research and Development Newsmagazine, Vol.6, No. 5, May 1965 Issue.
